1,2 Let's go!

There's lots of crazy crazy things this world, will offer
you

And there's no way to fake what you've been through
So just hold on to what you know is true!

Pull me back again
I need you to pull me from myself
(Pull me from myself)
Pull me back again
I need you to pull me from myself
(Before I get out!)

It seems that there's nowhere left to turn
It's true
I'd like to think that we could help each other
As a pack of thing we're going through!

Pull me back again
I need you to pull me from myself
(Pull me from myself)
Pull me back again
I need you to pull me from myself
(Before I get out!)
