When I see your smile tears roll down my face
I can't replace.

And now that I'm strong and I've figured out
How this world turns cold and it breaks through my soul
And I know I'll find deep inside me i can be the one

I will never let you fall
I'll stand up for you forever
I'll be there for you through it all
Even if saving you sends me to Heaven

And seasons are changing
And waves are crashing
And stars are falling all for us
Days grow longer and Nights grow shorter
I can show you I'll be the one.

I will never let you fall
I'll stand up for you forever
I'll be there for you through it all
Even if saving you send me to Heaven

Cuz your my
Your my mi-ei-e-i
My true love my whole heart
Please don't throw that away

Cuz I'm here for you
Please don't walk away and
Please tell me you'll stay

Yea yea, Oh oh oh oh ohh Stay
whoaa

Use me as you will
Pull my strings just for a thrill
And I know I'll be ok
Though my skies are turing gray [gray]

I will never let you fall

I'll stand up for you forever
I'll be there for you through it all
Even if saving you sends me to heaven
[Repeat]
