(Woah)  
Feeling sorrow  
for all the things you had to steal and borrow.  
Bring back the days we had before tomorrow.  
Relapse and then collapse into yourself once more.

Waiting for this life to change seems like it's taking me  
forever,  
and I can't hold on. This life is breaking,  
and into the day this life is going to change, seems like  
it's taking me forever,  
And I can't hold on. This life is breaking  
into the day...

But I can't feel.  
The doctor tells me to relax and stand still.  
Prescribe me a new pill to quell my anger.  
Wish I could make her pull herself up off the floor.

Waiting for this life to change seems like it's taking me  
forever,  
and I can't hold on. This life is breaking,  
and into the day this life is going to change, seems like  
it's taking me forever,  
And I can't hold on. This life is breaking  
into the day, again.  
Into the day, again.

Waiting for this life to change seems like it's taking me  
forever,  
and I can't hold on. This life is breaking,  
and into the day this life is going to change, seems like  
it's taking me forever,  
And I can't hold on. This life is breaking  
into the day...

Take time to contemplate who you are and where you  
want to go.  
Take time to contemplate who you are and where you  
want to go into the day..
