When I go places  
I just don't care  
You'd know why if you'd see what I wear  
Black slacks pegged fourteen  
Black slacks, really are keen  
Black slacks, play it cool daddy-o  
When I put them on I'm a-rarin' to go  
The girls all look when I go by  
It's what I wear that makes them sigh  
Black slacks, I wear a red bow-tie  
Black slacks, they say "Me, Oh my!"  
Black slacks, with a cat-chain down to my knees  
I ain't nothin' but a real cool breeze

Man you ought to see me with my derby on  
I know that you would say, "He's gone!"  
Black slacks, mostly in the head  
Black slacks, well that's what I said  
Black slacks, I'm the cat's pajamas  
Gonna run around with crazy little mamas

Chorus: B-B-B-B-Black slacks (Repeat 5 times)

Black slacks, play it cool daddy-o  
When I put 'em on I'm a-rarin' to go
