You don't need a reason for your love  
It cannot be explained  
It just flows free and it rains on me  
And I don't need a reason for the song  
Sterring inside of me  
It just flies free like a summer breeze  
(chorus)  
And you make it so easy now to laugh  
Laugh at myself and all my pride  
I'm growing up to understand  
And when people despise my simple trust  
I've got no time for all their fuss  
I'm growing up to be a child  
I find such a peace when I trust you  
Something so beautiful  
It lifts me high when the storms roll by  
I feel like I get younger everyday  
Warm in my Father's love  
It feels so good to be close to you  
(repeat chorus)  
I hear deep in my heart my spirit cry

YOu are my Father I'm your child

I lift my eyes and look to you

And when people despise my simple trust

I've got no time for all their fuss

I'm growing up to be a child

I'm growing up to be a child
