### "Talking To Myself"

Lying on the ground  
That awful silence all around  
I'm alone, so I'll sing myself a song  
Ooh, yeah

(Chorus:) I'm always talk-talking to myself  
I can only hear my own voice  
(Only hear my own voice)  
I'm just talk- just talking to myself  
Cause I don't care to listen to anyone else

Sound fills the air  
The silence broken everywhere  
You're all alone, if you're not singing your own song  
Ooh

Chorus

Don't forget how the melody goes  
It can take you to a place no one else knows  
And where ever we end up, there'll be room for you  
and I  
Somewhere beyond the sky

Still don't understand  
Why do I reach out for your hand?  
Wish I could be back on my own two feet  
Ooh, Wo-ah!

Chorus
