Turn clad ???, Nature's clad ???.  
Meet your partner with a big handshake.  
All go west on an east bound freight  
Hurry up boys now don't be late  
'n off you go.  
Not so slow.  
Maybe the last time out.

Lop to the left and circle round low  
Off to see a pretty gal - gon' see a show  
Dance all night 'n run all day  
One fine fiddle there & wanna hear him play  
'n on you go  
not so slow  
maybe the last time out.

Swing at the head and ?? couple two  
Sideboard to go right; 'n right come through  
Dance all night with a bottle in your hand  
Took all day to give the fiddler a dram  
'n on you go  
but don't go slow  
Maybe the last time out.

Partner on your right, right left grand  
???? your public plan  
Hope you are and everybody swing.  
Smile big and go around the ring  
'n on you go  
Not so slow  
Maybe the last time out.

Danceâ€¦!  
(instrumental)  
Dance â€¦! break of dayâ€¦!  
(instrumental fill & fadeâ€¦!)

Got much of it; but I'm obviously mis-hearing and not  
hearing in some place.  
Hope someone out there can fill in corrections.
