This life aint fair

Oh damn,not again!.

(1)

Im gonna be late at my first day at school

Everyone will look at me as in,"just look at that fool"

I jumped outta bed,I put on my clothes

Did my hair..put on some of that liquid daycare

"Damn im really gonna be late"but maybe ist just my fate

I'm a trippletime loser with no educetion"I really need another month of vacation

So I walked out the door my momma screamin"Take out the trashheap"

"shutup mom go back too sleap".

I runned 2 my school,thinking they gonna laugh at this fool..

I could see my homies chillin,I gotthe crazy feelin,that they were cutting school,just as late as this dumn fool..

As I runned by them without saying a word..i tripped over a branch with my face in the dirt..i was all dirty and shit! I just cried like a kid.

I would never become someone,I was a trippletime loser,I had absolutly no future.

So what could I do!besides crying!"I just wish I was dying"

That's the story of my lifeâ€¦a trippletimeloser with  
absolutly no future.

(Chorus)

Oh mr.blue im here 2 stay with you.i don't know what to  
do

Im damn lonely,are you lonely too

Please someone hear my pryar,I just want you 2 be  
there

Can you help me,this life isnt fair.

(2)As I walked in the classroom,everybody looked at  
me and thought"who is this fool"

"Im nobody,please look away..im just as dumn as b2k."

So I sat down and made myself real small,but still it  
feld like I was real tall,like I was michael jordan  
himself,everybody was looking at me like I was fucking  
Alf..a alien from another planet,and as I thought  
outloud the teacher screamd"cann it"

It was a hard day for a loser like me,just as in hamlets  
play"just let me be"

Finally it was the lunch..still everybody laughed at me  
like I was brady bunch.

I sat down and eated my sandwich,there she whas one  
crazy bitch,walked over 2 me and said"you are the  
dumbest loser this school has ever had".

She picked up my milk and threw it at my head,I really  
thought now"I wish I was dead"

But he! that's the story of a trippletime loser..with  
absolutly no damn futureâ€¦!

(Chorus)

Oh mr.blue im here 2 stay with you.i don't know what to  
do

Im damn lonely,are you lonely too

Please someone hear my pryar,I just want you 2 be  
there

Can you help me, this life isn't fair.

(3) Finally school ended..and not that splended as in  
would hope that it ended

I got back from a hard day at school, and asked my  
mom if she thought I was a fool?

She said "Offcourse your not sweetie..and I danced  
accros the room like I was dexter's sister didi..finally  
someone that didn't thought I was a fuckupâ€¦.so I  
asked 4 a buck I wanted to go to the arcade..and play a  
game of masterblade.

There she was a pretty girl like ive never seen, she only  
was sweet 16, but damn she was fine..

If she just had the time, I would do her all night long  
that were my dreams..but she was along gone..she was  
overt there playing masterblade, "Maybe it was really  
my faith"

Maybe im the right guy for her, but I was a loser how  
could it be, do I have the magic key.

Am I a player, like buffy the vampire slayer, can I  
conquer her heart, offcourse I could I had the perfect  
card.

As I picked my curouge up and asked her outâ€¦she  
laughed in my face and said there was no doubt she  
ever had gone out with a loser like me..so just get the  
fuck out of here and let me be

But that's the story of a tripple time loser..with absolutly  
no motherfuckin' futureâ€¦!

(Chorus) 2x

Oh mr. blue im here 2 stay with you. i don't know what to  
do

Im damn lonely, are you lonely too

Please someone hear my pryar, I just want you 2 be  
there

Can you help me, this life isn't fair.
