I can't stop, can't stop rockin'

The whole thing started - 1963

Young girls screamin'

Black and white T.V.

I was so ready, for something to set me free

Those four boys from England, singin' right to me

That night I had a dream, of a rock'n roll band

Everyone said no, no, no. I said yeah, yeah, yeah

I can't stop, can't stop rockin'

Never really fit in

Couldn't quite be cool

Got my ass kicked up and down the halls of my high school

When things got too crazy

When life got too cruel

I would just remember the boys from Liverpool

When I was lost, they were there to hold my hand

When everyone said no, no, no. They said yeah, yeah, yeah
