You have said as much as you can say  
Your heart is just about to overflow  
Must be something more I can do  
Some new plateau  
I'm listening to you  
Dying to know  
Everything that your feeling  
Every change you undergo  
Just don't tell me that you love me  
Because I do' wanna know

I do' wanna know how much you love me  
I do' wanna know how much you care  
I do' wanna, I do' wanna, I do' wanna know  
I do' wanna do what I'm supposed to  
I do' wanna wear what I'm supposed to wear  
I do' wanna, I do' wanna, I do' wanna know

You are gonna do what you must do  
You are gonna go where you want to go  
You are gonna hear what you hear  
Fear what you fear  
Don't say a word  
Don't let it show  
You will be what you will be  
You will reap everything you sow  
Just don't tell me that you love me  
Because I do' wanna know
