There was a time some time ago

When every sunrise meant a sunny day, oh a sunny day

But now when the morning light shines in

It only disturbs the dreamland where I lay, oh where I lay

I used to thank the lord when I'd wake

For life and love and the golden sky above me

But now I pray the stars will go on shinin', you see in my dreams you love me

Daybreak is a joyful time

Just listen to the songbird harmonies, oh the harmonies

But I wish the dawn would never come

I wish there was silence in the trees, oh the trees

If only I could stay asleep, at least I could pretend you're thinkin' of me

'Cause nighttime is the one time I am happy, you see in my dreams

We climb and climb and at the top we fly

Let the world go on below us, we are lost in time

And I don't know really what it means

All I know is that you love me, in my dreams

I keep hopin' one day I'll awaken, and somehow she'll be lying by my side

And as I wonder if the dawn is really breakin'

She touches me and suddenly I'm alive

We climb and climb and at the top we fly

Let the world go on below us, we are lost in time

And I don't know really what it means

All I know is that you love me, in my dreams

We climb and at the top we fly

Let the world go on below us, we are lost in time

And I don't know really what it means

All I know is that you love me, in my dreams

Oho only, in my dreams
