In your letter oooh in your letter

In your letter oooh in your letter

In your letter oooh in your letter

In your letter oooh in your letter

In your letter you said you didn't love me

You said you're gonna leave me

But you could've said it better

Oh in your letter, you said you couldn't face me

You said you could replace me

But you could've said it better

You could've left him only

For an evening let him be lonely

But you hid behind your poison pen and his pride

You could've told him something

And proved to me you don't love him

But you hid behind your future full of lies

You could've left him only

For an evening let him be lonely

But you hid behind your poison pen and his pride

You could've told him something

And proved to me you don't love him

But you hid behind your future full of lies
