Heard it from a friend who

Heard it from a friend who

Heard it from another you been messin' around

They say you got a boy friend

You're out late every weekend

They're talkin' about you and it's bringin' me down

But I know the neighborhood

And talk is cheap when the story is good

And the tales grow taller on down the line

But I'm telling you, babe

That I don't think it's true, babe

And even if it is keep this in mind

{Refrain}

You take it on the run baby

If that's the way you want it baby

Then I don't want you around

I don't believe it

Not for a minute

You're under the gun so you take it on the run

You're thinking up your white lies

You're putting on your bedroom eyes

You say you're coming home but you won't say when

But I can feel it coming

If you leave tonight keep running

And you need never look back again

{Refrain x 3}

Heard it from a friend who

Heard it from a friend who

Heard it from another you been messin' around
