I've been around for you
I've been up and down for you
But I just can't get any relief
I've swallowed my pride for you
I've lived and lied for you
But you still make me feel like a thief
You got me stealin' your love away
'Cause you never give it
Peeling the years away
And we can't relive it
Oh I make you laugh
And you make me cry
I believe it's time for me to fly
You said we'd work it out
You said that you had no doubt
That deep down we were really in love
Oh, but I'm tired of holding on
To a feeling I know is gone
I do believe that I've had enough
I've had enough of the falseness
Of a worn out relation

Enough of the jealousy

And the intolerance

Oh I make you laugh

And you make me cry

I believe it's time for me to fly

{Refrain}

Time for me to fly

Oh, I've got to set myself free

Time for me to fly

And that's just how it's got to be

I know it hurts to say goodbye

But it's time for me to fly

Oh, don't you know it's...

{Refrain}

It's time for me to fly

{Repeat to end}
