(Chorus)

Girl I Never Felt This Way Before
But By The Way Your Looking At Me Makes Me Want
You More
Ohhh Ohhh
The Way You Get Me These Feelings

(Verse)

No Baby Don't You Cry
Let Me Wipe Your Tears On Your Eyes
Just Believe Me Baby
You'll Be Alright

(Hook)

Can't Stop Thinking About
You Day And Night
You Mean The World To Me
It's Gonna Be Alright
The Feeling Of Your Skin
The Beauty Of Your Eyes
Just Hope You Know I Love You
And You Realize

(Hook)

Can't Stop Thinking About
You Day And Night
You Mean The World To Me
It's Gonna Be Alright
The Feeling Of Your Skin
The Beauty Of Your Eyes
Just Hope You Know I Love You
And You Realize

(Chorus 2)

You Take My Breath Away
The Way You're Smiling At Me I Don't Know What To Say
Ohhhh Ohhhh
The Way You Got Going Crazy

(Verse 2)

You're The Type Of Girl I Like

I Will Take You Out Every Night
We Could Be Together For Rest Of Our Lives

(Hook)
Can't Stop Thinking About
You Day And Night
You Mean The World To Me
It's Gonna Be Alright
The Feeling Of Your Skin
The Beauty Of Your Eyes
Just Hope You Know I Love You
And You Realize

(Hook)
Can't Stop Thinking About
You Day And Night
You Mean The World To Me
It's Gonna Be Alright
The Feeling Of Your Skin
The Beauty Of Your Eyes
Just Hope You Know I Love You
And You Realize

(Hook)
Can't Stop Thinking About
You Day And Night
You Mean The World To Me
It's Gonna Be Alright
The Feeling Of Your Skin
The Beauty Of Your Eyes
Just Hope You Know I Love You
