(Verse)

If you were on to me, me  
I want more than just a few hours underneath these  
sheets  
So baby let me, me penetrate your heart and mind and  
your body baby  
I'm a goldie I want you to say my name like a melody  
Loving every bit of you scratches the biting too  
But what's a few bitter wounds baby

(Chorus)

You can't keep loving me like this when you are not  
mine  
I can't keep loving you like this when you are not mine  
Mine, you are not mine,  
We can't keep on loving when you're not mine  
Mine, you are not mine  
We can't keep on loving when you're not mine

(Verse)

You're cloud 9, I don't wanna come down anytime soon  
Sex I love this part  
They gon' find our foot prints on the moon  
Like a super nova, I'm ready to explode here I go, blow  
Kiss in all the right places, got me making the visits  
I don't know how much more I can take it

(Chorus)

You can't keep loving me like this when you are not  
mine  
I can't keep loving you like this when you are not mine  
Mine, you are not mine,  
We can't keep on loving when you're not mine  
Mine, you are not mine  
We can't keep on loving when you're not mine

(Verse)

Can't keep doing me like you do  
The way you put it down will have me thinking about  
you  
Got me calling your phone see if I can go through

I'm here when you need it, baby come get it  
I've been now ready for round 2  
I would if I could baby but I gotta go  
Wait stop  
I can't can't baby another time  
This wouldn't be happening if you were mine

(Chorus x2)

You can't keep loving me like this when you are not  
mine  
I can't keep loving you like this when you are not mine  
Mine, you are not mine,  
We can't keep on loving when you're not mine  
Mine, you are not mine  
We can't keep on loving when you're not mine  
We can't keep on loving when you're not mine
