TRAVELIN' Äf' SPENCER BOHREN, 1996

Oklahoma, Texas, Alabama, too
If I spend my whole life travelin'
Maybe I'll run into you

Last week, I looked in Memphis
And in Nashville, Tennessee
I'm leavin' for Atlanta
Just to see what I can see

- Chorus -

Kansas City and Chicago
Santa Fe and Baton Rouge
Oh, yes, I will keep on movin'
Hopin' I'll run into you

>From Cheyenne down to Denver
Always lookin' for a clue
Tucson, Arizona
Omaha and Waterloo

- Chorus -
