"All I Can Hold"

you called to say
everything is changing
everything is fading
sliding away
it may be too soon yet
but maybe i've lost it
i need something to hold
something real

well this bed is consuming
as the stereo sings
it sings to me
the most intended lines
while you're looking for someone
you're looking for him
it's all I can hold

with careful words
pencil a story
and tell me how sorry
letter your plans
sign it "sincerely"
but nameless, its barely real
i need something to hold
something real

well this bed is consuming
as the stereo sings
it sings to me
the most intended lines
while you're looking for someone
you're looking for him
it's all I can hold
