"In Montauk"

everyday i wake up lonely
everyday i feel the same
i need to fill my hollow memory
so i guess i'll board a train

all that i can do is
stay right here and wait for you now

familiar faces dart before me
resistant to a stranger's glance
maybe this is wish resigning
a hope that's bound to take a chance

all that i can do is
stay right here and wait for you now

wait around this world forgotten
maybe it's full of nothing
maybe it's full of something
so sleep, sleep it off
and dream it all away
