Ooh, don't let love get you down
Ooh, don't let love get you down
Let love get you down
Get down, get down

I know that you've been hurt by love once before
You said that you didn't want to be loved no more.
Girl just don't sit around feeling sorry for yourself
Just give your love to somebody else

Ooh, wow don't let love get you down (don't do it, don't do it)
Ooh, wow don't let love get you down (don't let it, don't let it)
Get down, get down

Dry up those tears, girl, and hold your head up high
It don't make sense for you, to let love pass you bye
Even though your love didn't work out, the very first time
There's something you can do, to ease your troubled mind

Ooh, wow don't let love get you down (don't let you down, girl)
Ooh, wow don't let love get you down

Let love get you down
Get down, get down

Wow, ow-ow-ow
Don't let it, don't let it
Ow-ow, baby
Don't let it, don't let it
Un no,

Ooh, wow don't let love get you down (don't, don't do it)
Ooh, wow don't let love get you down (please don't do it, please don't do it, no)
Ooh, wow don't let love get you down (don't do it, don't

do it)
Amen, amen

Don't let love get you down
Don't, don't let it get you down
Girl, stop feeling sorry for yourself
Go out and give that love to somebody else
Give it to me girl, give it to me
Girl, well, I'll take it
Wow-woo, don't do it.
Don't let love get you don't
Don't let love, don't let love get you down
Don't do it, don't do it
Don't
