You're just a baby  
(Girl, you're too young) oh, yeah  
(Your mama won't allow it)  
No, she won't now

(Girl, you're too young)  
(Your papa shout about it)  
Yes, he will now

I know you need someone  
Someone to hold your hand  
How in the world can I  
Hold your hand when  
Your folks just don't understand

(Girl, you're too young) oh, yeah  
(Come back later) later, baby  
(Girl, you're too young) oh, girl  
(Don't make your people hate us)  
Don't make your people hate us

You're just a little schoolgirl  
Growing up mighty fast  
Let's not get started  
Cause how long do you  
Think this love can last

(Girl, you're too young) oh, yeah  
(Your mama won't allow it)  
No, she won't now

(Girl, you're too young)  
You're too young, girl  
(Your papa shout about it)  
Yes, he will now, ooh, yeah

(Girl, you're too young)  
You're too young, girl  
(Your mama won't allow it)  
It'd mess you up now

Don't you know

You're too young, baby  
(Girl, you're too young)  
(Your papa shout about it)  
Yes, he will now

Too young, baby  
Yes, they're gonna  
Shout about it  
Come on, girl...
