Hi, everybody
I'm Archie Bell
And these are The Drells
From Houston, Texas

And we are here to let you know
That we ain'y got no time
To lose (no time)

So I want everybody
To get up and boogie
To a brand new group, come on

Let's groove
Everybody, groove
Let's groove
Everybody, groove

Get up outta your seat
Move to the beat
And dance, dance, dance

Come on
Get up outta your chair
Let's go everywhere
And dance, dance, dance

Come on
Come on out on the floor
Let's get down some more
And dance, dance, dance
Everybody

Let's groove (yeah)
Everybody, groove
(Come on, you can do it)
Let's groove
(Everybody, yeah)
Everybody, groove

People near and far
No matter who you are

Let's dance, dance, dance

Come on, catch the groove
Then you'll wanna move
And dance, dance, dance

Let the music take your mind
It'll soothe you every time
Dance, dance, dance, everybody

Let's groove
(Yeah, yeah, come on)
Everybody, groove
(I want you to)
Let's groove
(Yeah, oh, my)
Everybody, groove

Let's groove

Everybody on your own
Let the music touch your soul
And dance, dance, dance

Come on, get out on the floor
Let's get down some more
And dance, dance, dance

Let's groove
Everybody, groove
(Come on, you can move)
Let's groove
(Let's groove, yeah)
Everybody, groove
(Come on, come on)

Let's groove
(Everybody, everybody)
Everybody, groove
(Come on, come on)
Let's groove
(We wanna groove)
Everybody, groove

Well, come on, everybody
Well, well, well
Oh, yeah, grooving now

Everybody, come on
Let's get out on the floor
And get down some more, ha, yeah

Come on now

Let's groove
(Everybody, let's get our thing together)
Everybody, groove
(Everybody, everybody)
Let's groove
(Come on, come on, people)
Everybody, groove
(I know you can, I know you can)

Let's groove
(We wanna, wanna)
Everybody, groove
(Wanna groove, yeah)
Let's groove
(Everybody, oh, yeah)
(Ha ha, I like this)
Everybody, groove
(Everybody grooving now)
(Let's make the whole place tremble)

Let's groove
(Don't be?)
Everybody, groove
(Yeah, come on now)
Let's groove
(Let's groove, let's groove, people)
Everybody, groove

Let's groove
(Come on, come on, come on)
Everybody, groove
(Let's do it all together)
(We gonna groove in any kind of weather)
Let's groove
(Cold or hot, raining or not)
(Everybody, come on)
Everybody, groove

Let's groove
(Yeah, everybody)
(Come on now)
Everybody, groove
(Outta sight)
Let's groove
(I just can't help myself)
Everybody, groove
(Well, well, come on)

Let's groove

(Come on, people)
(Come on, come on)
Everybody, groove
(Everybody)
Let's groove
(Everybody, let's groove)
Everybody, groove
(If you would only)

Let's groove
(Only get down and groove)
Everybody, groove
(Oh, yeah, come on now)

Look at that cat over in the corner
With them big old feet, ha ha
He sure doing that hustle, oh, yeah
Come on now, outta sight

You see that lady over there
In that sharp dress
I believe she can bump the best
Ha ha ha, come on now

Everybody
Let's all groove together tonight
I don't want nobody jiving around
We don't want nothing but getting down
Come on, fellas, everybody

Come on, come on, everybody
Let's groove, well, well, well
Hey, hey, come on, come on
If you want to, you can groove
