Say man, they tell me you

Think you're pretty good

Don't you know you're

In my neighborhood

They tell me you're

Pretty fast on your feet

So I want you to meet me at

The dance hall on Market Street

You hear

[CHORUS]

Hey, hey, there's gonna be a showdown

Hey, hey, there's gonna be a showdown

Showdown, oh, yeah

I've got ten notches on my shoes

When it comes to dancing

I just can't lose

They call me the top

Cat in this man's town

So I want you to meet me

Before the sun goes down

[Repeat CHORUS]

All the girls
Are losing faith in me
Don't seem like top cat's
Great as he used to be
I know I'm good
So you better be better
When you get out on the floor
You better have your steps together
[Repeat CHORUS]
Now my reputation has been
One of the fastest men alive
So I'm gonna see how good you are
When I count to five
(One) oh, man, you better step
(Two) you can do better than that
(Three) man, will you move aside
(Four) and let me get out here
(Five) and do my jive
[Repeat CHORUS 2x to fade]
