[tatyana]
Uh, uh, uh
Oh, oh yeah
Baby

[tatyana]
From the moment that I saw you babe
All I think about is loving you
Every time that you are near
I just can't help but stare
I'm dreaming of eternity with you
So maybe I can

1 - [tatyana]
Run away with you
Imagine all the things we'd do
Call my name
And make this fantasy for real
Run away with you
Imagine all the things we'd do
Call my name
And make this fantasy for real

2 - [tatyana]
Can't hold it, I can't fight it
Want you and I can't deny it
It's all about the things you do
Boy, you knock me out
Can't hold it, I can't fight it
Want you and I can't deny it
It's all about the things you do
Boy, you knock me out

[tatyana]
Can you feel the vibes I'm sending, baby?
All my energy and thoughts towards you
There's now way I could let go
Of all these dreams and hopes
Anxieties so deep, feelings so new
Just maybe I can

Repeat 1

Repeat 2

[tatyana]

Falling for you, this love's a tko

Falling for you, baby

Falling for you, this love's a tko

Falling for you, baby

[will smith](tatyana)

Uh, uh, uh

Here it is a groove slightly transformed

Again, but with a tatyana ali spin

I knew ever since she was ten

As fresh prince from back then

I had a synch she would win

Whatever clique she was in

Now she's all grown up not ashley

Mad sexy, true but classy

She in the fast lane under my wing

Kissing the sky

Tatyana ali, girl you knock me out

(cause boy you knock me out)

Repeat 2 till end
