Artist: dj jazzy jeff and the fresh prince

[fresh prince]

It's new, it's out of the ordinary  
It's rather extraordinary, so yo bust this commentary  
A literary, genius, and a superior beat creator  
Have come together, and we made a  
Musical composition which we think is a remedy  
To cure all the dance floors that's empty  
You wanna dance? we got what you want  
Jazzy jeff and fresh prince bustin out with the brand  
new funk

It was kind of an accident, the way that it happened  
One day I was rappin, and on the beat, jeff was backin  
me up  
And all of a sudden, he brought in a cut  
And I dropped my microphone and said, "what the...?  
Hold up, jeff, wait a minute, play it"  
He just smiled and said, "yeah def ain't it? "  
It was {funky} it made wanna {get, get down!}  
And we knew almost at once it was the {brand new  
funk}  
So we continued to listen to it  
And we knew it was def when I started rappin to it  
So I gave a hi-five to jeff  
And without hesitation popped in my cassette  
I took it home that night, and analyzed it  
Rewound the tape over and over, and memorized it  
That friday, we went to the club  
And out and out cold tore it up!  
You shoulda seen the people dancin and shakin and  
movin and jumpin  
And spinnin and clappin, while the beatboxin was  
groovin  
And screamin and yellin while on the microphone I was  
flowin  
Fresh rhymes I was showin, the people say, "yo keep  
goin"  
So I continued to rock, while jeff was on the beatbox  
Special assistance from my homeboy ready rock

People barged just to get up front  
To get a bird's eye view of what we call the brand new  
funk

Yo jeff! {rock the beat}  
Yo jeff! {rock the beat}  
Yo jeff! {rock the beat}  
\* jazzy jeff cuts and scratches \*

Yo jeff! {rock the beat}  
Yo jeff! {rock the beat}  
Yo jeff! {rock the beat with your hands..}  
\* jazzy jeff cuts and scratches \*

Now get funky with the beat!  
\* jeff starts spinning backwards \*  
Now turn it all around!

The most original, amazing, astounding, miraculous  
Remarkable, startling, sensational, stupendous  
Music, that has ever been created  
Is ours - but believe me it was complicated  
But we have done it, so now we can breathe  
A long awaited sigh of relief  
This isn't a publicity stunt  
It's the raw untouched, pure, hard brand new funk!

{rock the beat}  
{rock the beat}

{rock the beat}  
{rock the beat}
