(put your hands together, welcome Fresh Prince and Jazzy Jeff)

mic check, y'all ready to have a party out there?

I can't hear you, is Brooklyn ready to have a party out there?

before we get started here

I'd like to pay a couple respects to the people

that made me what I am today

all the people I used to listen to while I was growing up

put your hands together for Grand Master Caz and Mellie Mel

let me hear it back there, for Grand Master Caz and Mellie Mel

I'd like to pay my respects to Mr. Magic, DJ Red Alert

you know I'm a young boy, I'm just coming up, you know, starting to do this

I'm 17 years old and gonna do what I wanna do up here, right?

but before I do what I wanna do I wanna know is Brooklyn in the place?

Brooklyn's out there, Bedsty? Where's Bedsty at?

ready, yeah? we gonna get started like this

and you know it, you know it

everybdoy put your hands in the air

let me see you put your hands in the air

if you came to have a party right now

everybody let me hear you say hooooo

say ho ho

now all the ladies

all the ladies in the house say owwww

say owwww

ya don't stop

homeboys make some noise

let me hear you say yeaaa

say hell ya

say Brooklyn rocks the spot

let me hear it

louder, say Brooklyn rocks the spot

let me hear it

and you know it, you know it

are yall down with the beats

my DJ Jazzy Jeff is throwing on all the def beats

I wanna let yall know this is my DJ

that's going by the code of Jazzy Jeff

in a little while, yall gonna check out the human  
lyndrum

Ready Rock C, but right now, everybody out there

I want everybody out there that's ugly

all the ugly people be quiet

all the filthy, stinky, nasty people be quiet

all the homeboys that got aids be quiet

all the girls out there that don't like guys, be quiet

hold on, wait a minute

all the girls that don't like guys be quiet

you know it

cause see, what we like to do when we perform is

we like to see how much noise the people can make,  
right?

are y'all down with this

let's dance

how many a y'all remember that?

Y'all remember that?

Y'all remember that record, you know it, you know it

what my DJ is going to do on the wheels of steel

is something y'all have never experienced before

the DJ Jazzy Jeff

I want y'all ta bust a move, and it goes something like  
this

check him out, backward

hey Jazzy, transform

that's DJ Jazzy Jeff on the transformer scratch

hey Jazzy, Jazzy

wait a minute, wait a minute

they didn't make enough noise for me

give it up for another transformer scratch

Jazzy, one more transformer
