Erase my foes
Chased away by the black suits
Shades and clothes
We above the law
Feds can't touch me y'all
Highly ranked black blank i.d. card
So disregard what you think you saw
Put that phone down now who you think you calling ha
One little flash then good night dear
Just open your eyes honey look right here
Thankyou
Mission completed I mean it
We won't be defeated
You seen it we did it even with weapons depleted
Galaxy defenders don't act like you don't remember
Taken contenders and proven they only pretenders
Ladies and gentleman boys and girls
The men in black is back to protect the world
When the enemy is near the elite is here
So have no fear
Just let me see ya
