Yo he's full of it

(you can have the track)
Somebody somebody somebody
If you wanna party say party: party
Say party: party
(we in the house yall we bout to bouce yall
We in the house yall we bout to bounce yall we in the
house)
Nineteen ninety three
JJ and FP
(de dede de de dede de de de dede dede
De dede de de dede de de de dede dede)
Come on
You about ready to do it over there
You ready too
You about ready to do it over there
You ready
I said one two three four
In slow
Now hear I go
As I
Flow
Crowd goes up and down like a yo-yo
Hail the master the ruler over all
Me to a mike like Shaq to a ball
Tough like a ??tank?? not puffed like a filo
I'm breaking up with a girl I'm leaving her weeped like a
willow
I'm totally in love when it gets ??beat silhouette??
Till I see another one better
Age of twelve a rapper just for fun
My desire inspired by run d(run run d d)
But now I'm the epitome
Years and Years and ya can't get rid of me
From the dark age into the renaissance
The rap obsession caused the regression
But one man stood up and that mans me (uh ha)
To show you what it takes to be a real MC
You need wicked wicked rhymes [SCRATCHING]

With a sticky sticky style [SCRATCHING] (cut it)
And if you friggy flow u get wigggy wigggy wild
[SCRATCHING] (cut it)
You need to tiggga tiggga take ya time to pursue it
[SCRATCHING]
Till you're riggy riggy rhymes feel the flow like
fluid[SCRATCHING]
Chitty chitty bang bang chitty bang chitty
I kick the nitty gritty
For the people in the city
Heres somethin that ya best not miss
As we go a little somethin like dis
Come on
(de dede de de dede de de de dede dede
De dede de de dede de de de dede dede)
Aha
We go a little somethin like dis
Yeah the crowd rocks in the house
Top feeling
Hands to ??the ceiling??
Aint no playin around or sitting around or standin
around, clown, when I'm gettin down
Heavy on bass
Go lightly on the treble
You can't dig this then man you need a ??shuvel??
Where's the jam I search like I'm gonna
Find the party kick it like a punter
Back in the day they used a judge a MC
On what?
By how amped and loud the whole crowd would be
I go uh
They go (uh)
If I go yeah
They go (yeah)
Yeah (yeah) yeah (yeah)
It's like a drug and I can't stand it
Mic like a pipe And use it like a magnet
It's hip hop with a twist
Ah
As we go a little somethin like dis
Come on

De dede de de dede de de de dede dede)

You know, you know, what I'm talkin about

Coz I'm superior??â€¦. Deffer stronger.. and me??
But that is so quick in time I will get the respect what
