(Verse)

I make music I consider a challenge  
Like this here, reminds me of Gilligan's Island  
And that reminds of Harlem, where my niggaz is whylin  
The only borough that was built on an island, woah  
You fucks probably ain't know, if they cut off the  
bridges  
We'd be stuck, forced to live on the Island  
But we gangstas, riders, 9/11 survivors  
Niggaz still want beef than holla  
You think you bout it, get your piece and holla  
Squeeze the piece when I think it's problems, do you  
follow?  
A young Muhammad Atta, no plane lessons, cocaine  
lessons, just a plot of towers  
Before they crashed and divided the towers  
I'm hurtin' working hard to reprove the towers, like  
Bring 'em back up, lift 'em back up  
Niggaz back up, or lift us back up

Chorus: 2x

Okay, okay, okay  
Okay, okay, okay  
Okay, okay, okay  
Y'all can't fuck with me, okay

(Verse)

Now let me hear you say, OKAY  
It's Santana the great again, tie him up, bandana his  
face again  
I tried to tell 'em it's no escaping the basics  
And no escaping the hatred and no escaping the  
matrix man  
Only Neo is me, no Cleo can see my future, if she did  
I'd shoot her  
They tried to say the mission was impossible  
I came through, crew did it, got it poppin' too  
Two bitches on my side both prostitutes  
Gray smoke, mobster's suit, yeah they get it poppin'  
too  
I get my ace holes chopped in two, dimes, quarters,

rocks in two  
The fiends cop it too  
Yeah, look at 'em rockin' two, rockin' boat, Rock n' Jock  
Stop and plot, hot a BLDAT  
Fucka, this nigga gotta stop, out of sight, out of mind  
He gotta go, he out of line

Chorus: 2x  
Okay, okay, okay  
Okay, Okay, Okay  
Okay, Okay, Okay  
Y'all can't fuck with me, OKAY
