Hey girl with the little red shoes do you like the way I
move?
I've come with a bag of problems and to see if you still
bruise
She said "hey boy don't you come in close
I'm gonna give you a taste of your own medicine"
Hey girl you like the way I move, don't you want to get
in my car?

I hope you do
I hope you do

I hope you do
I hope you do
I hope you do
I hope you do
I hope you do

I'm the kid with the laser stare, I'm a menace so you
best beware
You're the chick with the diamonds eyes
Oh those things oh those thighs oh those thighs oh
those thighs oh those
"Hey boy don't you come in close
I'm about to give you some of your own medicine"
Hey girl you like the way I move, won't you let me get
close to you?

I hope you do
I hope you do

I hope you do
I hope you do
I hope you do
I hope that yeah
I hope you do

I hope you do
I hope you do
Hope you do
I hope you do

Hope you do
I hope cause
Hope is what we're waiting for
If I find someone new
It's what were waiting for if I find you

So we wait and we wait and we do
It's what we do
Yeah we waste some more
Yeah we wait some more
And we wait
And we wait
Oh yeah I'll wait for you
I'll wait for you

I hope you do
I hope you do
I hope you do
I hope that yeah
I hope you do
I hope you do
Hope you do
I hope that oh
Hope you do
I hope you do
I hope you do
