If you told the truth and lied too, anythin'Â'  
And If I ever touched your skin IÂ'll die, oh I  
CouldÂ've said I want you or told you something true  
If really wanted you IÂ'll lie  
And I told you, everythingÂ's fineÂ...

Yeah thatÂ's what IÂ'd say, youÂ're firebird is most  
amazing  
Turbo-oh-teen!

Now sheÂ's at it again, I see her every weekend  
Wish I had a dime for every time, oh I  
Ca-Caught her again with a cigarette on the patio, with  
her hair still wet  
SheÂ's the girl with the rockinÂ' wholesome plans, oh I  
Know her every timeÂ...

Yeah thatÂ's what IÂ'll say, youÂ're firebird is most  
amazing  
Turbo-oh-teen!

But I wonÂ't mean it

Had girl just like you  
IÂ'd never say goodbye too now  
Every girlÂ's just like you  
Every girl just likes you

But it no better when itÂ's alright  
ItÂ's alright  
But itÂ's alrightÂ....
