I followed your eyes
As far as the end of the world
History repeats itself
C'est la vie

Why do we fight?
After the brightest star
Everything faded away
Everything sank down

If promesses last forever
Then why?
Is it time to say goodbye

If promesses last forever
Then why?
Is it time to say goodbye

Forget you in this very life
If I were to come back
Without you I can't breathe
If I love you forever

Why do we fight?
After the brightest star
Everything faded away
Everything sank down

If promesses last forever
Then why?
Is it time to say goodbye

If promesses last forever
Then why?
Is it time to say goodbye

It'll be time to say goodbye

If promesses last forever
Then why?
Is it time to say goodbye.
