Sometimes I wanted to hear you
Sometimes I wanted to fell you
Sometimes I wanted to see you
Sometimes I wanted to kiss you
Sometimes I tried to forget you

I am the same, like a broken dream
Do you know that I loved you?

Sometimes I wanted to hear you
Sometimes I wanted to fell you
Sometimes I wanted to see you
Sometimes I wanted to kiss you
Sometimes I tried to forget you

I am the same, like a broken dream
Do you know that I loved you?

I am the same, like a broken dream
Do you know that I loved you?

Every time I wanted to remember you
Every time I wanted to think about you
Every time I tried to forget you
I'm living a lie.
