Nobody's Innocent We're all playing the same games We're all going to the same place Nobody's Innocent

Do you want to play? Do you want to dance? There is no more light And the room gets dark

l've been in hell And now I know Lost in the light Music is my life

Nobody's Innocent We're all playing the same games We're all going to the same place Nobody's Innocent

Nobody's Innocent We're all playing the same games We're all going to the same place Nobody's Innocent

Do you want to try? Do you want to rise? There is no more fear And forget your tears

You've been in hell And now you know Lost in your eyes Please don't cry

Nobody's Nobody's Nobody's

Nobody's Innocent We're all playing the same games We're all going to the same place Nobody's Innocent Nobody's Innocent We're all playing the same games We're all going to the same place Nobody's Innocent.
