Rewind

Hand in hand
Eyes in eyes
Flesh against flesh
My lips against yours

Am I dreamin? What's my reality?

Rewind

Hand in hand
Eyes in eyes
Flesh against flesh
My thoughts without you
Is it a story or a movie ending?

Rewind

My hands without yours
Seeking your eyes
Holding you in my arms
Living through your memory

Is that you or your last glance?
Even though it might be over

I still love you
It might be over.
