Reflection

Written by Matthew Wilder, David Zippel

Look at me, I will never pass
For a perfect bride
or a perfect daughter,
Can it be,
I wasn't meant to play this part???
Now I see, if I were truly to be myself,
I would break my famil's heart.

Who is that girl I see
Staring straight back at me
When will my reflection show
Who I am inside

I am now, in a world where I
Have to hide my heart
And what I believe in
But somehow, I will show the world
What's inside my heart
And be loved for who I am

Who is that girl I see
Staring straight back at me
Why is my reflection
Someone I don't know
Must I pretend that I'm
Someone else, for all time
When will my reflection show
Who I am inside

There's a heart that must be free, to fly
That burns, with a need to know
The reason why, why must we all conceal
What we think, how we feel
Must there be a secret me
I'm forced to hide

I won't pretend that I'm
Someone else for all time

When will my reflection show
Who I am inside...
When will my reflection show
Who I am inside

Ohh ohh...
