Hey you.. yes you!  
Think you can come near a wolf like me?  
I'd runaway if I were you  
Cause I'm gonna eat you up!  
C'mon, don't make me angry!  
RUN!

I'm a werewolf out in the night  
I'm out looking for a big fight  
I get that feeling over and over  
I'll hunt until the night's over

#### Pre chorus

I look up at the night sky  
I'm howling at the full moon  
I'm ready to start a fight  
I will give it my best shot

I'm searchin for my enemies  
They better not get close to me  
I'm gonna beat them down alive  
Then leave before I see daylight

An enemy comes to kill me  
I start to fight and take him down  
Don't try to come and take me down  
You'll be killed by a wolf like me

I look up at the night sky  
I'm howling at the full moon  
I'm ready to start a fight  
I will give it my best shot

They better not get close to me  
I'm gonna beat them down alive  
Then leave before I see daylight

Don't look back now  
Just run from me
