My eyes have fallen on a ray of sunshine
A piece of beauty in a maze of life
I read Your word, I pray to You
I know You died for me

Can I see the light that shines from You
In all I do, I just can't take my eyes off You
My heart feels alive at the sight
Son of Man, Son of God

You hung on the cross, innocent and alive
Then You died, giving us a chance to live
We know that You were innocent,
But You did this for the sake of our sins

CHORUS

These were Your expressions of innocence and love
You will always reign in our lives
We will always remember You
We serve in honor of You

In all I do, I'll live for You
Oh Lord, Your name is life
All in all, what it means,
The embodiment and meaning of life.

Sin and flesh call out to me
Cruel tangles of the world
But Lord, You call my name
Your nail-scarred hands are reaching for my heart.

All my desire is for You;
I want to serve You.
Oh Lord, help me
Overcome my enemies

You hung on the cross, innocent and alive
Then You died, giving us a chance to live
We know that You were innocent,
But You did this for the sake of our sins.

Although we may forget Your will,
It's Your kindness that draws us back.

ENDING

We need You Lord,
We love You Lord,
We want You Lord
We serve You Lord

We search for You
We thirst for You
We call for You... we call to You
