This is my house, and I own it,  
I own it yeah  
Get out of my house or I'll scare you,  
ill scare you yeah  
I'm a scary wolf, i'm a monster,  
a monster yeah.  
I own this house, yeah I own it,  
I own it I own it yeah.  
Its a mansion, yea, and its haunted, its haunted yeah.

Get out of my mansion! Why?  
I don't allow visitors to come in my house.  
I'm a scary wolf and I live here. It's my home.  
I'll chase you out if you try to come in.  
Not only that, my home is very scary and haunted.
