I see the morning light
Right into my eyes
Then I cry
My senses come alive

I don't want to be
In the darkness anymore
I want to search and seek
To learn about You more

Oh Lord, You're my light
You are my guide
Through the darkness of life
You are my morning light

The rising sun shines
Giving us the light
That You provided
For us to see

When I wake up
I see the morning light
Shining through my window
Give me the light to see

I don't want to be
In the darkness anymore
I want to search and seek
To learn more about You

Oh Lord, You're my light
You' are my guide
Through the darkness of life
You are my morning light

The rising sun shines
Giving us the light
That You provided
For us to see

Oh Lord, I delight in You

With all of my heart
I will never leave You
I'll never depart from You

Oh Lord, You're my light
You' are my guide
Through the darkness of life
You are my morning light

The rising sun shines
Giving us the light
That You provided
For us to see
