I gotta see the light  
I don't want any more darkness in my life  
I gotta face the truth  
I don't want to live in the shadows anymore  
I gotta see the light  
I don't want any more sorrow in my life  
I gotta face the truth  
Leave the past behind

Jesus  
You are my light that's shining bright  
Bringing a sense of delight  
In my heart cleansing my sin  
Doing work from deep within

There's nothing I can do  
But walk towards my destiny  
The light shines brightly  
Takes my breath away from me

I gotta see the light  
I don't want any more sorrow in my life  
I gotta face the truth  
Leave the past behind

I gotta see the light  
You are my only light I can see  
I know You're always there for me  
Watching over me with Your light

I gotta see the light  
I don't want any more sorrow in my life  
I gotta face the truth  
Leave the past behind

I gotta see the light  
I don't want any more darkness in my life  
I gotta face the truth  
I don't want to live in the shadows anymore  
I gotta see the light  
I don't want any more sorrow in my life

I gotta face the truth  
Leave the past behind
