Once again I'm falling to my knees
I can't close out these desperate pleas
'Cause all I'm thinking about is You
Knowing I can't go on like this;
I've got to start anew.

I'm sorry; I can't see why I did what I did.
I only know that what I've walked, what I've said
Never brought me peace; only brought me shame
And I know that I hurt You by the wreck that I became.

CHORUS

I craved for freedom in my past
But my 'freedom' just made me feel so trapped.
Then all I could do was watch what I'd become,
Looking at all the wrong I'd ever done.

The worst thing I ever did was walk away from You;
You're the only one who gave me freedom that was
true
Your love provides a sweet fragrance around me

All this takes me back to where I am now,
Turning back to You; wondering ever how
I could live again; love again
Knowing that I have to live forgiven again.

I will follow You, I will serve for You
By Your grace, I will stay with You
You will lead me right by Your side
I know I won't go back to me old life again

CHORUS

I craved for freedom in my past
But my 'freedom' made me feel so trapped.
Then all I could do was watch what I'd become
Looking at all the wrong that I'd ever done.

The worst thing I ever did was walk away from You.
You're the only one that gave me freedom true
Your love provides a sweet fragrance around me

I am comforted by Your presence all around me

BRIDGE

I want to feel Your fragrance

I want You in My life

I'll never resist it

Or leave You out of sight

Your love provides a sweet fragrance around me;

I am comforted by Your presence surrounding me.
