I'm a bat I'm a vampire I'm out there

I'm thirsty I'm hunger for blood I need it

Out at night I am nocturnal I'm out there

I will feed I will drain your blood I need it

Don't come close Don't come close to me I'll fight you

I want blood I will drink your blood I need it

Stay away Stay away from me I'll fight you

'Cause I'm a bat I'm a vampire I'm out there

I'm a creature of the night I don't come out in the daylight

I 'm out there searching for prey I need blood to sustain me

I can survive in the daylight But I rather come out at night I will fight with anybody That dares come close to me

Don't you come close to me Or I'll fight you

Yeah and I'll blaze you
