Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city

But don't hesitate
Cause your love, your love wont wait ho-no-no

Ooh baby I love your way every day
Ooh wanna tell you I love your way every day
Ooh wanna be with you night and day

Hey yeah
I love your way

If I leave here tomorrow
Will you still remember me
For I must be traveling on now
There's so many places I gotta see

But if I stayed here with you girl
Things just wouldn't be the same
Cause I'm as free as a bird now
And this bird will never change,
And this bird will never change...

Shadows grow so long before my eyes
With the help of some fireflies
I wonder how they have the power to shine
I can see them under the pines

But don't hesitate
Cause your love wont wait

Ooh baby I love your way
Ooh wanna tell you I love your way
Ooh baby I love your way
Every day now
Ooh wanna tell you I love your way
I love your way
Ooh baby I love your way
Give me you way, wanna tell you I love your way

Ooh baby I love your way

Ooh baby I love your way

Ooh wanna tell you I love your way

Ooh baby I love your way

Ooh wanna tell you I love your way

Ooh baby I love your way
