You say it's gonna rain and no one's gonna go out
tonight
You say it's gonna rain that's why I'm hopin' you hold
me tight

If I only live my life for you
There's only one thing I'd like to do
So I'm hoping you give me this chance
So tonight let us start our romance

You say it's gonna rain and no one's gonna go out
tonight
You know it's gonna rain that's why I'm hopin' you hold
me tight

If you only have eyes just for me
Close them tight and I'm sure you will see
That nothing can stand in our way
It can happen to us any day

You say it's gonna rain and no one's gonna go out
tonight
I know it's gonna rain that's why I'm hopin' you hold me
tight

If I only have one wish come true
I will spend my whole lifetime with you
In the dark of the night I can see
That this storm is about to be free

You say it's gonna rain and no one's gonna go out
tonight
You know it's gonna rain that's why I'm hoping you hold
me tight

You say it's gonna rain and no one's gonna go out
tonight
(Rain down on me, rain down on me)
Let your love rain down on me
Rain rain rain rain rain rain rain rain rain
Gonna rain gonna rain
Rain rain rain rain rain rain rain rain rain

Gonna rain gonna rain

Rain rain rain rain rain rain rain rain rain

Gonna rain gonna rain

Rain rain rain rain rain rain rain rain rain

Gonna rain gonna rain

Rain, it's gonna rain, rain

Gonna rain gonna rain

Rain, it's gonna rain, rain

Gonna rain gonna rain

You say it's gonna rain and no one's gonna go out
tonight

You say it's gonna rain that's why I'm hopin' you hold
me tight
