Wherever you go
Whatever you know
Bring it to me, baby
I just wanna more and more

Wherever you go
Whatever you know
Bring it to me, baby
I just wanna more and more

I just wanna more and more

Wherever you go
Whatever you know
Just bring it to me, baby
I just wanna more and more

I just wanna more and more

Bring it to me, baby
I just wanna more and more

Bring it to me

I just wanna more and more

I just wanna more and more

Bring it to me, baby

Wherever you go
Whatever you know
Bring it to me, baby
I just wanna more and more

Wherever you go
Bring it to me
