When you don't get whatever you want
You go apeshit high in the sky
When you're up there above all the rest of us
You can watch us, watch us die

Cuz U don't wanna friend you want another fucking
clone
You just want someone you can talk to on the phone

You just want someone you can talk to
From inside your braided cage
But that's all gone now
C'mon people, turn the page

Know no sorrow
Know no pain
Know no sense of loss
Know no sense of gain

Cuz U don't want a friend you want another fucking
clone
You just want someone you can talk to on the phone

Cuz U don't want a friend you want another fucking
clone
U just want some1 u kan talk 2 on the fone

When you don't get whatever U want
Thou goeth apeshit high in the sky
When you're up there above all the rest of us
You can watch us watch us die

Know Know Sorrow
Know Know Pain
Know Know Sense of Loss
Know Know Sense of Gain

Cuz U dont wanna frend u wanna nuther fucking cl0ne
U jusd want someone you can talk to on the phone

and again and again and again
