Did you ever have to make up your mind?

Pick up on one and leave the other one behind

It's not often easy, and not often kind

Did you ever have to make up your mind?

Did you ever have to finally decide?

Say yes to one and let the other one ride

There's so many changes, and tears you must hide

Did you ever have to finally decide?

Sometimes there's one with deep blue eyes, cute as a bunny

With hair down to here, and plenty of money

And just when you think she's that one in the world

Your heart gets stolen by some mousy little girl

And then you know you better make up your mind

Pick up on one and leave the other one behind

It's not often easy, and not often kind

Did you ever have to make up your mind?

Sometimes you really dig a girl the moment you kiss her

And then you get distracted by her older sister

When in walks her father and takes you in line

And says "Better go home, son, and make up your

mind."

Then you bet you'd better finally decide!

And say yes to one and let the other one ride

There's so many changes, and tears you must hide

Did you ever have to finally decide
