Do you believe in magic in a young girl's heart,  
How the music can free her whenever it starts  
And its magic, if the music is groovy'  
It makes you feel happy like an old-time movie  
I'll tell you 'bout the magic and it'll free your soul,  
But it's like tryin' to tell a stranger about rock'n'roll,  
whoa  
If you believe in magic,  
Dont bother to choose  
If it's a jug band music or rythem and blues  
Just go and listen and it'll start with a smile  
It wont wipe off your face no matter how hard you try  
Your feet start tappin' and you cant seem to find  
How you got there, so just blow your mind  
If you believe in magic, come along with me  
We'll dance untill morning,  
till there's just you and me,  
And maybe if the music is right,  
I'll meet you tomorrow somewhere late at night  
And we'll go dancin', baby, then you'll see  
How the magic's in the music and the music's in me,  
yeah

Do you believe in magic, yeah

Believe in the magic of the young girl's soul,

Believe in the magic of rock'n'roll

Believe in the magic that can set you free

Whhhooooooooaaa

(fade off)

Talkin bout the magic

Do you believe in magic

Do you believe, believe

Do you believe, believe
