Gotta keep moving,  
Gotta keep moving,  
Gotta keep moving with a troubled mind to follow in.  
You call me when I'm far away,  
You call me when I'm far away,  
Call me when I'm far away now come on baby make me  
stay.  
I can't sleep here in this cold bed,  
I can't sleep in this cold bed,  
I can't sleep in this cold bed, yea coz you roll your eyes,  
and turn your head.  
A single shot rang in the street,  
A single shot rang in the street,  
A single shot rang in the street... we sat down, to eat.

Gotta keep moving,  
Gotta keep moving,  
Gotta keep moving with a troubled mind to follow in.  
Tonight I'm gonna leave this place,  
Tonight I'm gonna leave this place,  
Tonight I'm gonna leave this place and remember  
serves your pretty pretty face.
